Please come and find out how we are progressing with the **Neighbourhood Plan for Welford on Avon**, your input is essential to ensure we align and refine our approach to meet parishioners' requirements.

We now have our initial **Draft Vision for Welford in 2028** and **Draft Objectives** of the **Neighbourhood Plan** to achieve that vision. Our drafts are based on your input to April's survey, **Stratford District Council's** draft **Core Strategy** and a wide range of material relating to our parish. We are now actively working to define specific policies which, when the Neighbourhood Plan is adopted, will be part of the legal basis against which all planning applications in Welford will be decided. We hope to also show you some indicative policies at the event for parish feedback.

We will give a short presentation on the current status of the **Neighbourhood Plan**, how the **Save Welford Action Group (SWAG)** are complementing our work plus documents for you to take away, review and provide feedback on.

The presentation will be brief and run once an hour starting at a quarter past the hour and members of the Neighbourhood Plan team will be present to answer your questions. SWAG representatives will also be there to discuss the proposed developments that are threatening Welford in the near future.

Please come along if you can - your input and feedback are essential to a successful Neighbourhood Plan.

If you can't make it all documents on which we would like your feedback will be published on the website at <http://www.welforward.org.uk> in the week following the event.
