

Welforward

Planning for the future

Sunday, April 6th, 2014
Memorial Hall
Open from 14:00 – 17:00

Presentations at
14:15 and 15:45

We need your feedback!

Please come to the Memorial Hall on **Sunday, April 6th between 14:00 and 17:00** and give your feedback on the developing **Neighbourhood Plan** for Welford on Avon.

Thanks to your input at the consultation event last December, we have drafts of the **Vision** for Welford in 2031 and the **Objectives** to achieve that vision. We also have a set of draft **Policies** which, when the Neighbourhood Plan is adopted, will be part of the legal basis against which all planning applications in Welford will be determined.

You will appreciate that the draft Neighbourhood Plan is work-in-progress with some rough edges still showing. This is why your feedback is essential to ensure that we are basing the plan on sound evidence from all residents.

There will be a short presentation on the current status of the Neighbourhood Plan and its position with the Local Plan activity that Stratford District Council is busy with. The **Save Welford Action Group (SWAG)** will present an update on the current status of the many major planning applications threatening Welford.

The presentations will run at 14:15 and 15:45. Members of the Neighbourhood Plan team and SWAG will be around to answer your questions.

Before you leave the Hall, we hope that you will complete a form to give your feedback on the draft Neighbourhood Plan.

Please come on Sunday, April 6th - your feedback is essential if we are to produce a successful Neighbourhood Plan.

The draft Neighbourhood Plan and feedback form will be on our website **welforward.org.uk**. If you can't attend the event, please complete and return the form by Friday 2nd May.

Any questions? Then email us at **info@welforward.org.uk**

Here's to a successful Neighbourhood Plan!
